

From Practice to Poster Share Your Impact

Showcase a poster at the Nov.6, 2025
Safe Deliveries Roadmap Conference
at SeaTac Conference Center

Have you been working on a quality improvement project, a new practice, or an innovative idea that supports safe, respectful care for birthing people? This is your chance to share it!

We invite you to create a conference-style poster highlighting your work

- There are no size or formatting requirements to display your poster at the SDR Conference.
- WSHA will print your poster to display at the Safe Deliveries Roadmap Conference on November 6th at the SeaTac Conference Center
- The poster will be yours to keep and use again!

Why Participate?

- ✓ Professional development and skill building
- ✓ Showcase your work with colleagues across Washington State
- ✓ Network with peers and leaders
- ✓ Celebrate the impact your work has on your peers, patients and community

Deadline is October 20th, 2025

submit posters or questions to
✉ leighs@wsa.org

Whether this is your first poster or your twentieth, you are doing great work to serve your communities and we want to celebrate it together!
